# *Regulations Governing Collections of Trash*

## **Pick-up**

Trash must be at the curb by 7:00 a.m. on your collection day.

## **Special Collections**

Each property is entitled to five (5) special collections a year. Special collections consist of miscellaneous/bulky items outside of your normal household trash.

Examples of special collection items include: Furniture, rugs, mattresses, large toys, porcelain or heavy molded plastic sinks, laundry trays, bath tubs, shower stalls, toilets.

Special collections must be scheduled by calling 240-777-6410 before 9:30 a.m. on the business day prior to your collection day.

## **Appliances/Scrap Metal**

Appliances and other scrap metal items are now collected separately for recycling.

Examples of scrap metal items include: Refrigerators, washers, dryers, dishwashers, hot water heaters, lawnmowers, grills and other metal items. Scrap metal collections must be scheduled by calling **240-777-6410** before 9:30 a.m. on the business day prior to your collection day.

## **Materials Not Acceptable At Any Time**

The following materials cannot be collected at any time: poisons, acids, caustics, gasoline, oil or other flammable substances, explosives, ammunition, television picture tubes, or other hazardous or dangerous materials; human or animal fecal or uriferous matter; infectious wastes; dead animals; fencing; lumber; doors; windows, including storm doors and storm windows and screens; cabinets, shingles, gutters, plaster, plasterboard, bricks, blocks, or any materials resulting from building, remodeling, repairing or construction; earth, rock, sod; parts or motor vehicles; or tree trunks, limbs, or stumps resulting from tree removals. Sheds and large dog houses are also excluded from trash collections.

## **Type and Size of Containers**

All trash must be put in proper containers for collection. Containers may be made of rigid plastic or metal and must have tight fitting lids. Containers must have a capacity between fifteen (15) and thirty two (32) gallons. Larger capacity totes may be used, but cannot be filled with loose trash. Trash in totes must be bagged for collection. Each can or bag of trash cannot exceed 45 pounds in weight. Containers of trash cannot be placed at the curb more than one day prior to collection. Loose or uncontained piles of trash will not be collected.

## **Safeguard for Collectors**

Occupants must confine any and all animals that may interfere with collectors. No containers, bundles, or materials may be placed in a hazardous location for collection.

Broken glass must be wrapped in paper to prevent injury to collectors.
